OF THE

Department of Maryland

Grand Army ^{of the} Republic

1916

OBJECTS AND WORK

OF THE

Grand Army of the Republic

1. To preserve and strengthen those kind and fraternal feelings which bind together the soldiers, sailors and marines, who united to suppress the late rebellion, and to perpetuate the memory and history of the dead.

2. To assist such former comrades in arms as need help and protection, and to extend needful aid to the widows and orphans of those who have fallen.

3. To maintain true allegiance to the United States of America, based upon a permanent respect for, and fidelity to its Constitution and Laws, to discountenance whatever tends to weaken loyalty, incites to insurrection, treason or rebellion, or in any manner impair the efficiency and permanency of our free institutions; and to encourage the spread of universal liberty, equal rights and justice to all men.
